A uniqueness of the American Board of Christian Sex Therapists is its commitment to professionalism and to the Christian faith in the field of sex therapy. ABCST is founded on principles that adhere to National Association of Evangelicals Statement of Faith appearing below. This statement has been affirmed by more than seventy denominations, and thus represents a broad evangelical consensus. Applicants to ABCST must be able to agree with the following statement of faith.

Statement of Faith

- We believe the Bible to be inspired, the only infallible, authoritative Word of God.
- We believe that there is one God, eternally existent in three persons: Father, Son, and Holy Spirit.
- We believe in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory.
- We believe that for the salvation of lost and sinful man, regeneration by the Holy Spirit is absolutely essential.
- We believe in the present ministry of the Holy Spirit by whom the Christian is enabled to live a godly life.
- We believe in the resurrection of both the saved and the lost; they that are saved unto the resurrection of life and they that are lost unto the resurrection of damnation.
- We believe in the spiritual unity of believers in our Lord Jesus Christ.

General Theology of Sexuality

In addition to a general statement of faith, ABCST members share a general theology of sexuality. While we know there will be difference of opinion in the specifics, it is expected that therapists certified by ABCST agree with, and counsel their clients in accordance with the following statement.

- Our sexuality is part of God's creation and is a good gift from God intended for us to take delight in;
- God's revealed will for sexual expression includes sexual fidelity in marriage and chastity outside of marriage;
- Sexuality, like all parts of who we are as persons, has been affected by the Fall as evidenced by desires that are not in keeping with God's will for sexual expression;
- God is working in our lives to redeem His people, and we, as sexual beings, participate in that redemptive experience;
- Ultimately, all of our incompleteness will be made complete in God's economy, as God's purposes to redeem His creation are fulfilled in Glorification.

*These levels require additional verification that will be requested by ABCST upon receipt of this application. Associate members must verify educational, experience and supervision requirements toward certification. Certified members must complete application for certification.
